

Everyone knows by now that diving in Kythnos is much more than just diving.

After a short and low cost trip, in less than 2 hours with the ferry from Lavrio, you reach a quiet typical Cycladic island with countless hidden beauties and magnificent sea.

Dive in one of the most famous diving destinations in Greece.

Enjoy wonderful clear blue waters, where the visibility sometimes exceeds the imagination. Imprint forever on your mind or camera the incredible colors and unique underwater seascapes. Combined with the huge diversity and the numbers of fish that you will come across with, they will definitely make your dives unforgettable. The experienced and friendly staff of Aqua Team are always at your disposal so that you will always feel well taken care of...

Our premises in Loutra and the Aqua Dancer, our diving boat, have been specially adjusted so that you are never bored or feel that something is missing. Our equipment is our pride and joy and you will probably not find a better set. You will breathe gases that are super-clean, produced by an ultramodern filling and blending system.

Our comfortable premises with the friendly atmosphere will inspire you to stay with us as long as possible. Loutra is a calm, typical fishing village for truly restful days and peaceful nights. However, it is not short of bars or nice tavernas with amazing food in good prices. Within walking distance there are thermal springs, the old bathhouse, beaches, adventure trails and many more...
